Classic English reserves the right to undo a group if it does not reach a minimum of 4 students, always trying to find the best possible solution.

If a student is not to be picked up by the usual person, the parents must fill up an authorization and hand it in at the office. Also, if a student younger than the age of 10 is allowed to return home on his own after class, the parents must hand in an authorization at the office.

Classic English will always follow health recommendations by la Junta de Castilla y León, as well as the alert levels and restrictions. Therefore, the way the classes are held in Classic English will depend on the epidemic situation.
